

# Blue Light centre

ACES – 13<sup>th</sup> September 2021

Kevin Kendall - Assistant Director  
Corporate Property

# Blue light centre - Lincoln

- The UK's first tri-service blue light station with a custody suite, housing police, fire and ambulance services under one roof.
- Following three years of planning and construction, the £21.5m facility was opened on time
- Enables c.450 front-line staff to co-locate
- Reduced annual running costs by 21% and carbon emissions by 41%
- One Team award at the Government Property Awards 2020

# Smarter Working

ACES – 13<sup>th</sup> September 2021

Kevin Kendall - Assistant Director  
Corporate Property

# What is Smarter working?

## Our vision

“Work is about what you do, not where you do it”

## Our principles

- Our employees will have the opportunity for an improved work-life and leisure balance;
- Our performance management objectives will focus on results and outcomes rather than presence;
- We will maximise the use of office space across Lincolnshire through designing options to create smarter ways of working;
- We will manage the risks to our environment from climate change through reducing travel to work and business mileage;
- We strive to attract even more highly-skilled staff, retaining our existing employees and being the employer of choice;
- We will continue to improve connectivity and technology to improve business processes and reduce waste.

# Office accommodation strategy

To:

- Create a flexible 'managed workspace' model which will provide choice to individuals and teams
- Enable a reduction in the amount office space
- Provide an office estate that the Council can afford in the future
- Ensure creative future use of any surplus buildings

# Smarter workspace components

- Staff base for **1,574 (1,429 FTEs)**
- 3 campus buildings or within a locality building;
  - Lancaster House – ***Bookable Desks***
  - County Offices – ***Collaborative***
  - Orchard House (B) – ***Service Hub***

Lancaster House

Main Building

Orchard House B

# Space Booking

The screenshot displays the Lincolnshire County Council Cloudbooking web application. At the top left is the Lincolnshire County Council logo with the tagline "Working for a better future". The top navigation bar shows the user is logged in as "Kevin Kendall" with a "SIGN OUT" link and a feedback prompt "How do you feel about Cloudbooking?" with three smiley face icons. The main content area features a large background image of a brick building. A dark blue overlay at the top of the image contains the text "Welcome to Cloudbooking" and "Good Afternoon, Kevin." Below this, a section titled "Today's Bookings" states "You have no bookings today, create some [here](#)". On the left side, a dark sidebar menu lists various options: Home, My Account, My Bookings, Rooms, Desks, Parking, Visitor Booking, Help, and Logout.

# Welcome back pack

This pack will be an evolving document and will be adapted for each building.

We want the pack to be warm and friendly and not authoritative.

We will look at various ways to present the pack such as PowerPoint, Our Intranet, Sway or a PDF – or a combination of all of these.

## What's in your welcome back pack?

- Introduction
- Health and safety
- Smarter Working concept
- Lancaster House
- Opening hours
- Floor plans
- Parking
- Booking a desk
- Desk setup
- Refreshment and kitchen areas
- Storage
