CANCER SUPPORT

Can vacant possession within shopping centres be successfully occupied by NHS Healthcare services?

Carter Jonas

Existing NHS Estate

- Lord Carter + Naylor Reports
- 18% of current hospital buildings built pre 1948
- 37% built post 1995
- 12% of accommodation *deemed 'not*

functionally suitable'

- **£1.6bn** weighted **backlog maintenance** required
- \circ 6500 hectares of sites
- *£6bn* identified as potential income from land sales to support housing shortage
- $\circ~$ Imbalance of value
- Only 1500 of 7600 primary care premises owned by NHS

Impact of Property Values in London

(Gross risk adjusted potential financial opportunity by STP (Acute only)

CASE STUDY 1: RUNCORN SHOPPING CITY

"The aim of the **Healthy New Towns Programme** is to develop new and more effective ways of shaping new towns, neighbourhoods and communities to **improve health and wellbeing, prevent illness, reduce social isolation and promote independence**."

http://www.healthynewtown.org.uk/about/

idea

Shopping for Health - ACES National Conference 2021 22/09/21

Project Model: Small Clinic + Complimentary Services

Shopping for Health - ACES National Conference 2021 22/09/21

Client: Warrington + Halton Teaching Hospitals NHS Foundation Trust

Size: 500m² (NHS); 600m² 3rd Party shell space

idea

Accommodation: Relocation and expansion of NHS outpatient services from acute hospital setting into the community, co-located with complimentary services (Halton Haven Hospice + Citizens Advice Bureau)

CASE STUDY 2: THE MALL, LUTON

"The Emergency Department at the Luton and Dunstable site is a national leader in delivering performance against the emergency care standards, having met the 4 hour target every single week since February 2011. Despite this, the **current department is severely compromised both in its current configuration and ability to expand to meet demand** or to develop new models of care"

Strategic Outline Case, Luton + Dunstable Hospital Emergency Department

Shopping for Health - ACES National Conference 2021 22/09/21

Project Model: Large Clinic

Client: Bedfordshire Hospitals NHS Foundation Trust

Size: 1,500m²

Accommodation: Lift and shift outpatient services from main hospital site to enable expansion of core acute services

iDEA
